HOUSING OPTIONS FOR SENIORS IN SANTA CRUZ COUNTY

Finding housing that is both adequate and affordable is a major problem in Santa Cruz County. Rates are high and vacancies are few. This booklet describes some of the housing options that are available to seniors.

SUBSIDIZED HOUSING

To qualify for subsidized housing, you must meet low-income guidelines. If you qualify, you will pay approximately one-third of your monthly income as rent and the government will pay the rest of the rent to an approved amount (see page 11 for income limits and maximum rent allowed).

There are two ways to obtain subsidized housing. One way is to place your name on the subsidized complex waiting lists (see pages 5-6); the other way is to place your name on the Housing Authority (831-454-9455) waiting list for a voucher. The waiting list for a voucher is long, but more information about that is available from the Housing Authority.

1. SUBSIDIZED APARTMENT COMPLEXES

There are a limited number of subsidized apartment complexes in the county designated for senior citizens. Each one has its own waiting list. These lists are completely separate from the Housing Authority list for vouchers. You are not on a waiting list for an apartment in one of these complexes because your name is on the Housing Authority list. These are completely separate lists. You must sign up for each apartment complex individually.

The names of these complexes, with addresses and phone numbers, are listed on the following pages of this booklet. To apply for an apartment in a subsidized complex, follow these steps:

A. Contact every complex that you want to live in and fill out an application if they will accept it at that time. You can phone the complexes, but it is even better to go in person. By actually going to the complexes yourself, managers are able to meet and talk with you.

B. The complex may not be accepting applications when you contact them. Find out when they will be, make a note of it, and go back then.

C. Once your name is on a waiting list, keep the manager informed of your current address and phone number. If the manager is unable to reach you, you will be removed from the waiting list. Since vacancies are filled quickly, it is important that you be easily contacted.

D. Check back regularly, perhaps monthly.

E. There is no limit to the number of waiting lists on which you can put your name. It is best to sign up on several waiting lists to increase your likelihood of finding an apartment.

2. CERTIFICATES FOR HOUSING

Housing Choice vouchers (Section 8 vouchers) are issued by the Housing Authority. Having a voucher entitles you to pay approximately one-third of your income as rent. There is a long waiting list to get a voucher. When you receive a voucher, you must find a landlord who will accept it. An apartment does not come with one. To apply:

A. Contact the Housing Authority at the address below and ask how to start the application process. If there is anything special about your situation be sure to mention it. A pre-application form can be printed from the Housing Authority web site.

Housing Authority of Santa Cruz County
2160 41st Avenue, Capitola, CA 95010
831-454-9455
www.hacosantacruz.org

B. Save any correspondence that you receive from the Housing Authority. It is your only proof that you were put on the list and the date it was done. This may be very important later.

C. While you are waiting:

- If you move, notify the Housing Authority in writing. Give old and new addresses.
- If you receive any correspondence from the Housing Authority, answer it promptly. Delaying may put you in danger of losing your place on the list.
- Any correspondence received from the Housing Authority should be saved; anything you want to notify them of should be done in writing. Be sure to include your reference number in your letter.

FEDERALLY SUBSIDIZED SENIOR RENTAL HOUSING
